THE NEW ASSOCIATIONS INCORPORATION ACT 2009

Is your organisation an Incorporated Association?

If yes, find out what the changes mean for your NGO

On July 1 2010 the new *Associations Incorporation Act 2009* came into force.

- How will your organisation be affected?
- What do Board members need to be aware of?
- What are the risks and how should they be managed?

The Council of Social Service of NSW (NCOSS), in partnership with the Public Interest Law Clearing House (PILCH) and Aon Risk Services, will be convening **3 half-day FREE workshops** on these topics for NGOs in the Wagga area. Take 'your pick' of the workshop/s of interest, or attend the lot. Workshops will be at Wagga Wagga Business Development Centre, 66-70 Coleman St, Wagga Wagga
