Presented by the **Corruption Prevention Network** and the **Council of Social Service of NSW**

As government agencies increasingly deliver services to our most vulnerable and poorest people in our community through not-for-profit organisations ...
... questions of transparency promotion and fraud & corruption prevention arise.

Do Not-For-Profit organisations have the necessary rigour in policies, practices & procedures to reflect Public expectations ... if not ... what is needed?

Book by Email to wendy@ncoss.org.au
