Dear CEO

SCHOLARSHIPS FOR NON GOVERNMENT ORGANISATIONS

The NSW Government is offering five scholarships in the Graduate Diploma in Public Administration, each to the value of \$26,640, as part of an initiative to support workforce capability building in the non-government sector.

The Graduate Diploma is an 18-month course offered by the Graduate School of Government at the University of Sydney. It encompasses important themes of study relevant to contemporary organisations including leadership and strategic administration, Commonwealth/State/Local government relations and whole of government policy development and program implementation.

Managers who have current (or potential future) partnerships with public sector agencies are invited to apply. Merit selection of applicants is an organisation responsibility and requires CEO endorsement. The key areas to consider include current and future workforce needs and identifying high potential employees with the ability to undertake senior management roles. There are designated places for Indigenous applicants.

The closing date for applications is **19 August 2011**.

The application guide, course brochure and application form are attached.

Please direct any enquiries to Timothy Burt, Senior Advisor, Public Sector Workforce on 9228 3607 or courses@dpc.nsw.gov.au.
