Secure your slot now.

Several lots are still available on Monday 13 May in Bathurst, as well as on Wednesday 29 May in Port Macquarie.

[Register here for Bathurst.](#)

[Register here for Port Macquarie.](#)

Other areas in NSW

This free TEI Outcomes Measurement Practice Workshop will also be in the following areas (all sessions are from 9:30 am to 4:00 pm):

[Griffith, 15 May](#)

[Central Coast \(Gosford\), 27 May](#)

[Coffs Harbour, 30 May](#)

[Tweed, 31 May](#)

[Hornsby, 5 June](#)

[Campbelltown, 13 June](#)

What to do if your preferred Workshop date is FULL?

The following sessions are now FULL: [28 May Newcastle](#), [14 June Sydney](#), [20 June Western Sydney](#)

- 1) Try checking again. A slot occasionally (and unexpectedly) becomes available when someone cancels.
- 2) Email info@fams.asn.au to get on to a waiting list. This would assist future planning.

No longer able to attend a session you registered for?

If you find yourself no longer able to attend a session you registered for, please advise info@fams.asn.au as soon as practicable.

How different are these sessions from ones I've previously attended?

- 1) No two "Outcomes" sessions are entirely the same. There is always an added value as our collective knowledge and experience in this new space continue to build over time. Much new learning is derived from workshop participants sharing their stories and concerns as well as ideas/solutions for identified gaps. We encourage this type of peer learning, as we seek to move forward in a still largely uncertain environment.
- 2) Both TEI and TFM (Their Futures Matter) teams have committed to be in

each workshop. They will be there throughout the day to participate, to answer questions, or to take questions on notice, as appropriate.

Queries?

Please email info@fams.asn.au in the first instance if:

- you encounter any difficulty in registering;
- you need clarification about event details;
- you'd like to get on to a TEI Practice Workshop waiting list.

For other queries about the TEI Sector Assistance Strategy and/or to subscribe to NCOSS TEI updates, please email teiasist@ncoss.org.au

Please also check FAMS' [event and registration page](#) for updates.

Acknowledgement

The NCOSS (NSW Council of Social Service) TEI Sector Assistance Strategy project is funded by the NSW Family and Community Services.

NCOSS has engaged [FAMS](#) to deliver TEI Outcomes Measurement Practice Workshops around New South Wales.
