**Register now - TEI SAS Practice Workshops!**

**Hear updates from both TFM and TEI teams in each TEI SAS Practice Workshop**

FAMS and NCOSS are pleased to announce that the teams from both [Their Futures Matter](#) (TFM) and NSW FACS Targeted Earlier Intervention (TEI) will be in attendance at the TEI SAS Practice Workshops scheduled to take place around NSW.

Both teams will provide an update on ongoing reforms. Time will also be allocated to answer your questions, or take questions on notice.

Whilst much of the work of this significant whole-of-government NSW reform is in progress, we welcome this opportunity for participants to raise ongoing regional and local concerns.

These workshops provide organisations with the opportunity to examine how to develop, implement and evaluate community-based activities through using evidence and measuring outcomes.

All workshops will run from 9.30am – 4pm.

## **Announcing a second session in Sydney**

The Sydney session on Friday 3 May is over-booked. In response to high demand, a [second Sydney session](https://www.fams.asn.au/events/event/sydney-2nd-outcomes-measurement-workshop) has been scheduled for 14 June. Please click on the link (or copy and paste) for more details and to register - <https://www.fams.asn.au/events/event/sydney-2nd-outcomes-measurement-workshop>

## **Please let us know**

As we seek to respond to high (or extremely low) demand in the regions, there may be a corresponding revision in a location of the TEI Practice Workshop. In the event of a necessary (and uncommon) cancellation, registrants will be advised to attend another location. Please check FAMS' [event and registration page](#) for updates and please contact us to discuss alternative locations.

## **Queries?**

If you have any difficulty in registering, or need clarification about event details, please email [info@fams.asn.au](mailto:info@fams.asn.au)
