

# The Community Organisations Disaster Adaptation Project

- ✓ CODA builds disaster preparedness and resilience among community service organisations and people most vulnerable to disaster impacts

Preparedness sessions  
with the community

Community organisations  
disaster planning

- ✓ CODA strengthens connections and cooperation between the community, community service organisations and Emergency Management to take action to reduce local disaster risks.

Understanding  
emergency management

Providing a vulnerability  
lens to disaster planning

CODA is a partnership between

- NSW Council of Social Service
- Local Community Services Association
- AbSec (NSW Child, Family and Community Peak Aboriginal Corporation)
- Resilient Lismore
- Monaro Family Support Service
- Katungul Aboriginal Corporation
- Eden Community Access Centre
- Peppercorn Services Inc

CODA builds on previous work developing the disaster capability of the community sector. To find out more see the **NCOSS Disaster Support** pages [www.ncoss.org.au/disaster-support/](http://www.ncoss.org.au/disaster-support/).
