

Position title: Social worker or Counsellor (tertiary qualified): STSH Program

Organisation: The Haymarket Foundation Ltd. (Sydney)

Grading: Health Professionals and Support Services Award - Level 4.

Employment Type: Permanent - Fulltime

The Haymarket Foundation is a Sydney based organisation that works with people who are experiencing, or at risk of homelessness. We are seeking a Social Worker or Counsellor with a minimum of two years field experience to deliver focussed psychosocial interventions and counselling to program clients in a range of settings, providing accessible and appropriate mental health supports needed to sustain an at-risk tenancy.

The Sustaining Tenancies in Social Housing (STSH) is a program funded by the Department of Communities and Justice (DCJ) that supports people to maintain their tenancies in social housing. You will work in partnership with Neami National and the Strawberry Hills NSW Housing Tenancy team to deliver time limited, focussed mental health interventions aimed at assisting people with the appropriate supports required to maintain their tenancies.

About the role

In this newly created role, we are seeking an experienced Social Work practitioner or Counsellor with demonstrated experience in providing focussed psychosocial and counselling interventions to people with a history of homelessness. The role also includes providing holistic and adaptive case management services to clients with a focus on achieving long-term recovery and tenancy sustainment.

In this role, you will also work closely with community agencies, cultural and recreation, and education services to create opportunities for clients to meaningfully participate and engage with community.

You will actively participate in debriefing, reflective practice through team meetings, inter-agencies, decision-making processes, service planning sessions, supervision, and staff development activities.

The role is suited to someone who has experience leading counselling and case-coordination for clients with complex multimorbidities and who possesses the ability to multitask in a fast-paced environment. This role will include a case load component as well as a mentoring component for other case managers.

This position is Monday to Friday, with daily operational management provided by the manager of the STSH program.

Key Selection Criteria: Essential (E), Desirable (D)
Social Worker (two years' experience) and Professional registration with the Australian Association of Social Workers (AASW) or tertiary qualified Counsellor (E)
Demonstrated experience in complex counselling and case management including practical and therapeutic support from evidence informed, recovery and resilience led approach. (E)
Demonstrated ability to provide intensive mental health and AOD interventions to people with significant complex vulnerabilities with at risk tenancies. (E)
Demonstrated high level communication skills, specifically in client rapport building, teamwork, and systematic advocacy. (E)
A minimum of two years' experience in a case management role with a working knowledge of the human services sector. (E)
Experience working with complex clients in an outreach capacity. (E)
At least 2 years post-graduation experience in a Mental Health related role(s). (E)
